

## Identifying Essential Standards

- 1) Does the standard have **endurance**? Will students need to know the information beyond taking the test or into the future?
- 2) Does the standard have **leverage**? Is the standard of value in more than just your discipline?
- 3) Does the standard prepare students for the **next grade level**?
- 4) ***Select between 8 and 12 standards to designate as high priority!***
