CHAMPIONSHIP ROUND

The Championship Round will be determined by, first, looking at records (everybody competes in two matches). Then, if more than two teams have gone 2 and 0, the points will be totaled for those teams. The two teams that have won twice and that have the highest total scores will play the Championship Round. (Note: All Rounds will be played until a winner emerges – if there is a tie, the two teams will have 5 lightning round questions in order to determine a winner.)
