Help Me Grow is a program for Ohio's newborns, infants and toddlers that provides health and developmental services so children start school healthy and ready to learn. In Scioto County, Help Me Grow is part of the South Central Ohio Educational Service Center.

The Help Me Grow program:

- Is free and voluntary
- Identifies children with, or at risk for, developmental delays or disabilities
- Provides screenings for health, hearing, vision and development
- Provides parents with information about their child's social and emotional development which lays the foundation for later school success
- Assures that parents have information on the importance of early childhood immunizations and routine pediatric health care
- Provides opportunities to meet and talk with other parents who have young children
- Connects children at age three with appropriate services

Scioto County Help Me Grow is a program for families that live in Scioto County and we welcome all parents and children birth to age three.
