### Community Involvement

**Parent/Guardian of:** \_\_\_\_\_

**Date:** \_\_\_\_\_

CAPE is actively involved in a variety of programs with local agencies. These activities provide our students the opportunity to use and further develop appropriate social skills as well as connecting them with the community. In order for your child to participate in the programs, they must meet the criteria listed on the attached page. Please note; at times transportation may be provided by CAPE staff members in their personal vehicles.

**I \_\_\_\_\_ (parent/guardian) give permission for my child to participate in community programs.**

**I \_\_\_\_\_ (parent/guardian) give permission for my child to be transported by CAPE staff members.**

We are requesting permission to photograph and/or videotape your child while they are participating in school activities and community volunteer programs sponsored by CAPE. The photographs may be published in the local newspaper as a positive way to promote their participation. The videos may be used to enhance the learning environment.

**I \_\_\_\_\_ (parent/guardian) give permission to photograph/videotape my child.**

### Volunteering in the Community Criteria

1. The student will have received no more than 4 minor discipline referrals within the four-week period.
2. The student must complete 90% of all classroom work with a passing grade for the four-week period.
3. The student must not engage in any explosive verbal or physical behaviors for the four-week period.

**Please Note: If the student participating in the volunteer activity engages in any inappropriate behavior they will be brought back to CAPE and consequences will be assigned based on the severity of the behavior.**
